Travellers Choice appoints new BDM for NSW/ACT

5 February 2018: **Travellers Choice is pleased to announce the appointment of Paula Moylan as its new Sydney-based Business Development Manager for New South Wales (NSW) and the Australian Capital Territory (ACT), effective immediately.**

Moylan has worked in the travel industry for more than 20 years, during which time she has held senior sales positions with a number of leading Australian and international travel brands. She joins Travellers Choice from Qantas Holidays, where she was most recently Regional Sales Manager for NSW, ACT and Queensland.

In her new role Moylan is responsible for supporting Travellers Choice members' local sales and marketing activities, as well as driving ongoing expansion of the group's network and liaising closely with its broad stable of preferred suppliers.

Travellers Choice General Manager Sales Nicola Strudwick says Moylan already enjoys a strong connection with Travellers Choice members, having previously served as the network's National Account Manager at Qantas Holidays.

"Paula understands our company's unique culture and unrivalled commitment to supporting our member shareholders, which means she hits the ground running in her new role," says Strudwick.

"She also joins the company at an exceptionally exciting time, with our network across NSW and the ACT welcoming new high-calibre recruits and all of our members benefiting from the introduction of new and innovative products and support services.

"I have no doubt that Paula's energy, enthusiasm and experience will prove an invaluable asset to our company and its members."
